

ALL entries must be submitted in ADVANCE, with the Consultant listed below, by February 12, 2024.
 Entries are automatically available to the consultant when ONLINE Entries are submitted from the TGC website.

1. List **ALL** your Division II Horticulture entries below. You will keep this form to submit each entry online.
2. Use the **Schedule (or brochure)** to determine which *Section* and *Class* your entry belongs to
3. Genus and Species (or Cultivar) names are required for each entry.

If you are unsure about your plant: TAKE A PICTURE, then send it to your garden circle experts, or visit your favorite nursery. Common names are not necessary but helpful if we need more information about your plant.
