Suggestions to determine plant Genus and species name

Genus and species name is _required_ on all Division II entry cards **EXCEPT Section G Combination Plantings**. With over 500 entries in Division II alone, we do not have time to find missing information.

1. Take a picture of the plant and go to your favorite nursery.

2. Take a picture of the plant and send it to your circle members.

3. "Google" it. Open Google or Chrome on your phone and look for the camera icon. Press the camera icon and take a picture.
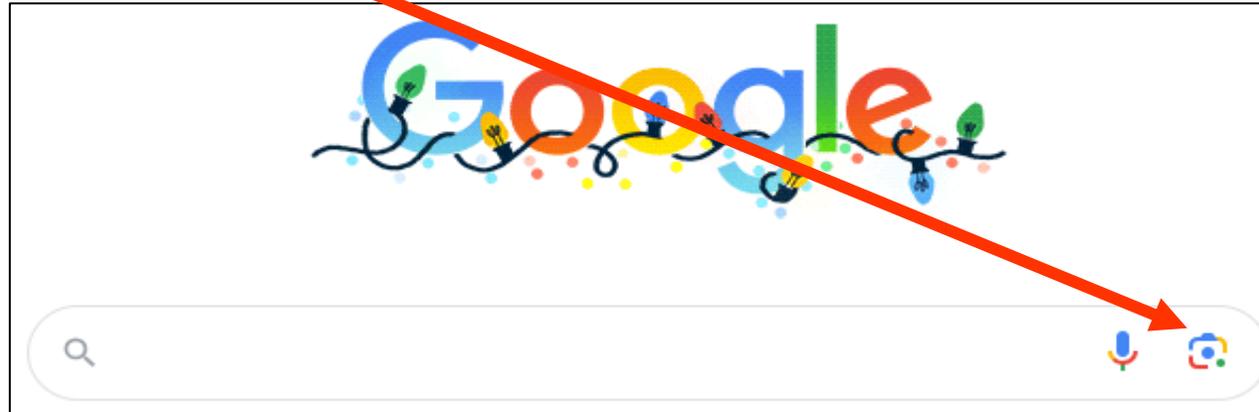

4. Use a plant app from your phone.

Submitting Online Entries

1. Have your *entry form* (any entry form) in front of you.

2. On the TGC Flower Show page click on the **Submit Online Entries** button.

3. The PDF document (example on right) has the links to every online entry form in each Division, Section, and Class.
